

Gift Aid declaration

Enable us to claim tax back on your gift under the national Gift Aid Scheme. It costs you nothing but makes your donation much more valuable.

Gift Aid legislation allows us to reclaim basic rate tax on your donation. Please state that you are happy for us to do this by signing the declaration below.

I wish St Stephen's Millennium Green Trust to further benefit from Gift Aid Legislation. This declaration applies to all donations made from 01/08/15 until further notice.

A Garden for the Community that is entirely funded by the Community

The people of Lansdown have long cherished the open ground between Richmond Road and Richmond Lane. In December 1999, St. Stephen's Millennium Green Trust bought the western end of the site and the future became secure.

The purchase was made possible by contributions from the Millennium Commission, local businesses and residents. A Millennium Green has been created to serve the people of Bath. The rest of the site has been leased to St. Stephen's Allotments for 50 years.

It costs around £8,000 per year just to maintain the Green, so please consider making a donation, so that everyone can continue to enjoy this wonderful space.

Become a Friend of our Millennium Green by making a donation

Fund a Day

Make an annual contribution equivalent to one day of maintenance costs. You can even nominate a special day to have your donation linked to that day.

Make a one-off contribution

One-off contributions can be made either by cheque or bank transfer.

Legacy

We welcome legacy donations.

We recommend donations of £17.50 per year as that is the cost of maintaining the Green for one day (*once gift aid has been applied*). However, if you feel able to give more than this we would be very grateful.

Gift Aid

If you are a UK tax payer we can claim Gift Aid to increase the value of your donation. This applies to both one-off and regular donations. Please do complete the Gift Aid declaration if this is applicable.

Making a one-off donation

If you would prefer to make a single donation rather than a regular gift then you can either send us a cheque or make a bank transfer.

If you wish to make a bank transfer the sort code and account number are on the standing order form.
